

To be featured as a WOW Gal on <http://www.womenofworthmagazine.com>

Your WOW Gal Story can be from 800-1500 words telling one or more (we have many in a lifetime) of your times of rebirth.

It would be divided as such:

First third: (2-5 paragraphs) about the experiences of struggle, illness, fighting addictions or anything that challenged you during this "growth spurt" (Should be as in depth as possible so that our readers can feel & relate to your experiences as your own)

Second third: (2-5 paragraphs) about realizations, changes of consciousness, people or circumstances, etc, that helped you overcome the situation or detoured you from this path of negativity, illness, etc. (should be almost as long as first part)

Last third: (2-5 paragraphs) about where this rebirth has taken you, how it has changed your life, where you are and what you are doing today because of it, etc.

Please include: all your social media urls, website url, email address **plus 2 photos** one a good head shot and the other a fun shot.

Please submit your story and the above ASAP to info@thewowgals.com

Because WOW Gal Stories are featured generally as first come first serve and accepted as a Story our readers will identify with we cannot give you a definite date when it will be published.

If we do not receive all necessary info from a potential WOW Gal at least 3 months ahead, including revisions so that we can have her page set up, approved and ready to go then we move ahead with the next story that is ready to do.

We will however try to get your page ready for approval asap and then let you know the month before you will be featured. As we are now gaining momentum and receiving up to 10 WOW Gal Story submissions each month we may be slower in getting back to as quickly.

While you do not have to be a WOW Gal Sponsor to be a WOW Gal... **If you are interested in becoming part of our WOW Gal Directory as well as a WOW Gal you are extremely WISE!** Exposure has increased since our audience has increased by 500 % since first debuted!

Here is to Living YOUR WOW in The NOW!
YOU GO GIRL!!!
